Dear African Holistic Health,

On behalf of the New York City Department of Correction C.A.R.E unit, we would like to thank you for participating in the "2016 C.A.R.E. HEALTH FAIR".

Your support and participation in our annual C.A.R.E. HEALTH FAIR are sincerely appreciated by our uniform and civilian staff alike. Our primary goal is to increase staffs understanding of the importance of staying mentally and physically healthy, and with your participation we were able to do that. We hope you will continue to join together with us to make this event bigger and better each year.

We truly appreciate your support in our "Challenge to Stay Healthy" initiative, and look forward to working with you in the future.

Sincerely,

The C.A.R.E. Unit
